1640 Vernier Road, Grosse Pointe Woods, MI 48236 • masonplayground@gmail.com

Dear community leader,

We are excited to share with you our plans for a new, safe, and accessible playground for the students at Mason Elementary School and the surrounding community!

The current playground structure is around thirty years old and in disrepair. We are unable to order missing slides and other broken and boarded up equipment that the students of Mason Elementary School greatly miss. When visiting other Grosse Pointe Public School System (GPPSS) elementary schools, there is a noticeable contrast in the vibrant, imaginative and updated playgrounds they have compared to Mason Elementary.

Our new playground project includes replacing a large, outdated play structure with one that will be accessible to all students. This is especially important due to our need for wheelchair accessible playground equipment at Mason Elementary School, as well as in the GPPSS District and the Grosse Pointe Communities as a whole.

Mason is the only full Title 1 School in the GPPSS District with 45 percent of our students receiving free or reduced lunch. As such, we do not have the financial means as other local PTOs to exclusively fundraise for a project of this size within our own school population.

With the help of local businesses and our dedicated Grosse Pointe and Harper Woods communities, Mason Elementary School will be able to install a new playground that will be utilized by our students, families in the surrounding area, Neighborhood Club and Little League athletes and their families, and any child in need of a safe place to play regardless of their abilities and requirement for accessible equipment.

The Mason PTO is thankful for the support we continually receive from our compassionate local businesses and community partners. We hope you will consider making a tax-deductible donation, so together we tackle this project and create an exciting and energetic playground we can all be proud of!

Sincerely,

Mason PTO Board of Directors

Katrina Brennan, Co-President  
Krystle English, Vice President  
Holly Feikens, Treasurer  
Lauren Delitka, Hospitality Co-Chair  
Amanda York, Fundraising Co-Chair

Kristen Della More, Co-President  
Kyle Monroe, Secretary  
Katie Daly, Hospitality Co-Chair
